SCHOOL SUPPLIES 2024-25

In March, the rationale for a change to school supplies was provided in the Weekly Updates. Given that school supplies are being purchased in advance by the school at a lower cost and provided to classrooms for the 2024-25 school year, families will pay a standard fee of \$55 per child. These fees are not attached to the present school year but will open in School Cash Online in late August.

Gym shoes, headphones and backpacks are not purchased by the school which still provides opportunity for back-to-school shopping!

GRADE THREE UKRAINE INITIATIVE

Grade 3 is thankful that they raise \$814.60 in their Cookie and Lemonade Sale! Thank you to everyone who supported their efforts to raise money for GAIN and Ukrainian refugees.

MILK ORDERS

School Cash Online is open for June orders. Closes on May 15th.
