Registrations

Parent Notes:

District 51 Registrations are going home today. This is to confirm that students are coming back for the 2019/20 school year. Parents are asked to fill out the District 51 Registration forms and have them returned to the Classroom Teachers. We are asking that all registrations are returned by April 9.

(NOTE: Gr. 5 Registrations will come from the Middle School in late April/early May)

ICES Running Club is back!

Starting on April 2nd, we will once again be offering a running club during lunch recess. This student activity is optional, but we want to encourage physical health and active lifestyles. Our running club is a fun, community building way to do that. Students will run laps around the school outfield during recess breaks.

We will have our final run at school on Tuesday, May 28th. By that time students will have run the equivalent of a full marathon (42 kilometers). We would like everyone to have an ICES t-shirt to use for our final run at the school. You can buy these on school cash online from March 25th to April 18th.

Parents will also have the opportunity to register their child in the Little Souls Marathon for \$25.00 held at Chinook high school on May 29th at 6:00 PM. Note: this is not mandatory for ICES Running Club participants. However, this is a fun culminating activity that allows your child to finish the running club goal with 500 other children from around the city. Students who participate in the Little Souls Marathon are given a t-shirt, medal, snacks and hamburger at the end of the race. To register go to <https://raceroster.com/events/2019/20963/little-souls-2019> Once again, ICES runners are encouraged to wear their school T-shirt to this event.

Please discuss with your child if they would like to participate. If you have any questions feel free to check with Mrs. Middel or Mrs. Heshka via email.

Thanks,

*Thank
you*

A huge thank you to all who came out and supporter our Spring Program! It was a great celebration of praise and our school community. Thanks to the students and staff who spent so much time preparing for and participating in the program....great job! Apologies for the poor online streaming and recording quality of the program. We will take steps to ensure this is improved for next year.
