Thank you for your patience as we have been working through various pieces that impact the programming in Early Education Programs and Kindergarten for the 2020-2021 school year.

We will be proceeding with registration for **Kindergarten** as follows:

Kindergarten : Registration begins on January 20th for Kindergarten in all Lethbridge School Division elementary schools – **We are not able to accept kindergarten registrations before this time.**

Early Education Program (EEP): There will be an "Intent to Register" process for **Early Education Programs** as we are not yet in a position to be able to know all the details of programming.

January 27th - 31st - "Intent to Register" process for children already in a Lethbridge School Division EEP, who will continue with a second year of EEP in 2020-2021. These children must have been attending EEP during the month of December in order to be considered as a "continuing child". EEP fees for the current year must be up-to-date in order to register for the 2020-2021 school year. All continuing children, including children eligible for PUF, must pay the \$40 registration fee.

February 3rd - "Intent to Register" begins for north and south side EEP programs. Families will need to bring all the necessary registration requirements (\$40 registration fee paid, proof of birth certificate/completion of form to get a birth certificate and showing some other legal document that provides proof of legal name and birthdate).

If you have any questions about any of this, please do not hesitate to contact the school.
