ICES News and Notes

On Wednesday, February 26, ICES will be participating in Pink Shirt Day. The purpose of this day is to talk to students about the importance of resolving differences and showing respect to one another. As community builders and image bearers, ICES students will be participating in activities and discussions around this topic. On this day, students are encouraged to wear PINK!

Grade 5 Basketball!

This week marks the end of our Grade 5 Basketball season! It has been an exciting season and we look forward to finishing it well, with students continuing to compete with sportsmanship and gain experience playing basketball. During this week there are league games on Monday (only for team 2 due to a lack of gym availability in other schools) and Wednesday (for both teams). Grade 5 Parents will be emailed details of the week on Monday, February 24 (Monday & Wednesday schedule can also be seen on page 1 of newsletter).

On this week Friday, Grade 5 teams will also have their season ending basketball tournament (schedule below). Our teams will be playing at Wilson Middle school (2003 9th Ave N). Looking forward to a great week!

ICES/Westminster Grade 5 Ice Fishing Trip

On Thursday, February 27, ICES staff have planned to take the grade 5 students ice fishing. As part of the community building aspect of this trip we are also inviting 2 staff and 20 grade 5 students from Westminster school to join us!. We are also looking forward to playing some ball hockey, doing some sledding, having hotchocolate as well as fire roasted hotdogs and marshmallows. Of course the trip will only move forward pending safe weather and ice conditions. From ICS, Mr. Alan Riewe, Mrs. Camilla Pagliericci, Mr. Mike Greeno, Mr. Dean Degner and Mr. Jay Visser will be the staff supervisors/coordinators. Information has been shared with students and parents with more info to go out to grade 5 parents this week. Looking forward to it!

ICES Family Fun Skate!

On Wednesday, February 19, the ICES School Council hosted a Family Fun Skate at the Logan Boulet Arena.

We had a great turnout (approximately 110 people), as people were able to enjoy skating, hockey, concession and great conversation. Admission to the skate was by donation. Between that and the concession sales, just under \$1000 was raised (\$925). However this does not include the donations made online. A complete total will be shared in next week's News and Notes.

Thank you to the ICES School Council (Stephanie Bekeering, Nadyne Alaric, Sharla Hummel and Kristin Vane) for their organizing and running the event. Thanks also to Dana Heshka for volunteering with concession and Mark Heshka for helping organize the student hockey game.

We also need to extend a huge thank you to **Vanee Livestock** for donating the cost of the arena rental and to **Bootsma Bakery** for donating the delicious donuts! Thanks to all for coming!

ICES Calendar Dates

While we are still in the process of finalizing the 2020/21 School Calendar, we are able to share some start of the school year dates. The 2020/21 school year will begin on Tuesday, September 1st. Normally the school year starts after Labor day, but with Labor day of 2020 being quite late (Sept 7), the decision was made to start before. This means that the ICES Open House will be on the afternoon of Thursday, August 27.
