

Friends of Immanuel Theme Baskets On-Line Auction

Dear Parents of ICES Children

February 2021

The ICS Society Board invites you to participate in the Friends of Immanuel Fundraiser, on Wednesday, March 17, with a pre-ordered dinner, online auction and virtual Kahoot game. Proceeds from this event will go towards the ICSS Home Economics Room Renovation Project (aka large kitchen). The students and staff of ICES would like to contribute to the online auction by asking each grade to fill baskets of items based on a grade theme. Baskets will be compiled, wrapped and photographed, then listed on-line for bidding. We are excited to see these donations come together to support ICS!

Students have the option of bringing one item to help fill up their grade's "Theme Gift Basket". These items can be worth anywhere from \$1.00 up to \$5.00. Please send to the school by March 4, 2021 (sorry - late gifts cannot be included in the baskets)

Please note that this is optional and your child does not have to participate
