CHRISTIAN EDUCATION WEEK – May 3 – 7

We look forward to Christian Education Week! The staff has worked diligently to make this a meaningful and enjoyable week for our students. In addition to our Chapel lead by Grade 2, students will participate in daily challenges and other activities.

Traditionally, funds raised at the annual Coin Carnival have supported the work of Edu-Deo Ministries. Edu-Deo Ministries is an organization which collaborates with locally-led school communities in various countries to bring transformation into lives through Christian education. This year, we are asking students to bring coins to support this ministry. Coins will be collected in each classroom throughout the week, then on Friday, these funds will be gathered and weighed to see what our total weight is. Parents and others will also have the option to donate through School Cash On-Line.

For more information, please click on the link below and watch the Christian Education Chapel next week to hear from one of the staff members.
