

WEEKLY UPDATE

October 31, 2022

A WONDER FULL TIME – TFT

This year, our TFT Lead Teachers, Mr. Greeno and Mr. Riewe, will be introducing thematic grade-level experiences for all our students. Throughout the year, there will be 5 themes for classes to explore as they will have time to pause, ponder and play in the amazing world created by God. The first theme kicks off this week with our Grade One students!

SAVE THE KIDS PRESENTATION – Chinook High School – November 3 @ 7:00

School councils of the Lethbridge School Division are hosting a information night for parents and guardians at Chinook High School on Thursday, November 3 at 7:00. The speaker is Nate Webb who works with an organization called Save the Kids. Various pieces around supporting children will be presented. **Please see the attached infographic for more details.*

PARENT/TEACHER CONFERENCES

Parent/Teacher conferences will once again be booked through Conference Manager. Parents will have the option of meeting in-person or on Teams, whichever is most convenient for you. When signing up for your conference, please indicate your preference.

FALL FUNDRAISER – Saturday, November 19

We're really excited to be able to host this year's Fall Fundraiser in person again on **Saturday, November 19**. The ICS Fall Fundraiser first started as the well-known Bazaar in the early 1970s and has been a favorite event ever since. More details will be following as the date gets closer, but for now, we need your help to make this happen. One way to be involved is to volunteer - [click here](#) and sign up for a volunteer shift.

We are also looking for items to sell in the online auction. These can be new purchased items (min \$50 value), gift cards, services, yummy baking - so many possibilities! Please [fill in auction item details here](#) and then drop them off at the Society office (at the secondary campus) by **November 4th**. If you have any questions, please call Monica at (403) 327-4223 or email at director@immanuelcs.ca.

BUS/CLASS CANCELLATIONS

In the event of inclement weather or unsafe road conditions, buses may run behind schedule or be cancelled. If routes are 20 minutes behind, parents will be notified by call or text.

If all transportation services are cancelled, as determined by the Transportation Committee, both the Elementary and Secondary campuses will not conduct classes.

Families will be notified by an automated phone message and/or text from the school division, an email sent from school administration and a social media post may be posted. In the case of cancelled transportation and ICS not conducting classes, each campus will be open for the morning to ensure students from families that missed the notifications will be kept safe until arrangements can be made to have students picked up.

SCHOOL CLOTHING ORDER

We are hoping to place a school merchandise order and anticipate that orders would be here prior to the Christmas break. We are hopeful that ordering with a local company will also provide opportunity for size exemplars of the various pieces. Next week, we will have more specific details for you!
