### ICES BLESSING BOX

In grade 3, we learn about other countries, people and culture. Through our learning, this has sparked a concern for our own community in Lethbridge and how we as ICES can be a light in our neighborhood. *Would we be missed if we left our neighbourhood community?*

As an initiative to help our community, we have come up with the idea of a *Blessing Box* in the front yard of our school that we can fill with socks, toques, muffins, fruit, water bottles, etc. that would bless someone walking by. The box is in place and has been stocked with various items. If you have donations for this initiative, please bring your items to the school office.

**LETHBRIDGE SCHOOL DIVISION ANNUAL TOWN HALL MEETING**  
**Tuesday, February 4**  
**6:30 – 8:30 pm**

The Division is set to host the annual Town Hall event on **Tuesday Feb. 4**, from 6:30-8:30 p.m. Town Hall will be an in-person event at Victoria Park High School (1515-5 Ave. S.). Everyone is welcomed to attend! The more people who participate, the better the discussions will be around the table. The event will include two sessions – one where participants will be split up into elementary, middle and high school tables, and a second where tables will discuss specific topics.

For the **first session**, tables will discuss these questions:

What aspects of your school and learning experience are you most satisfied with and why?

What aspects of your school and learning experience are you least satisfied with and why?

What specific changes or initiatives do you think would improve the quality of education at your school?

For the **second session**, students will be split into one group and parents/guardians/caregivers/staff and community members will be in the other group. Students will select one of two topics – welcoming, caring, safe and respectful learning environments or student learning engagement and academics. The other group will have three topics to choose from – parent/guardian/caregiver engagement and partnership, classroom complexity or academic achievement.

If you would like to represent ICES at this event, please contact the school office by email or call 403-317-7860.
