#### READY, SET, GO!

For over ten years, local schools and charities have ensured every student is prepared with supplies for the upcoming school year. This is done through the Ready, Set, Go! program. Backpacks will contain a standardized assortment of supplies but will not coincide with individual school lists. Independently, families may need to seek out individual supplies in addition to receiving a backpack.

Registration is now open until August 20 - westside and August 21 - northside. Please use this link to register: [lethbridgeymca.ca/ready-set-go](https://lethbridgeymca.ca/ready-set-go).
