FAMILY PICTURES

School pictures are set for October 6 and 7, with retakes on October 29. We will be using a new company, *Mountain West Photography*, rather than *Life Touch*.

A unique opportunity offered by *Mountain West*, is family pictures. These will be scheduled for the afternoon/evening of October 29th. Families will pay a \$30 sitting fee which is donated to the school and will receive a free 8x10 family portrait. Various additional packages will also be available for purchase – these include digital files which are suitable for Christmas cards. More details will follow in the new school year.
